### **DRESS CODE POLICY**

The purpose of the dress code is to prolong the life of gym equipment and for your safety. The material and a fit of garments should give you freedom of movement and not cause a hazard when performing an athletic activity.

Patrons must wear workout attire throughout their activity or workout. No street clothes for any athletic activity, except walking on the track and in the game area.

The department does not allow words or graphics on clothing that depict sexually suggestive expressions or actions, profanity, obscenity, drugs, alcohol, or tobacco, or which degrade the integrity of individual groups.

The department has the final authority on determining if the attire meets the criteria and any actions required from a patron, as it relates to the dress code.

#### **Facility Attire:**

During any athletic activity, all participants must wear proper athletic attire (i.e. T-shirt, athletic shorts or athletic pants and gym shoes) that is not altered from the manufacturer's design.

Plastic or rubberized suits are allowed as long as worn with the appropriate safety directions.

All swimwear must be determined safe in terms of coverage, style, and cut. Fabrics and colors must not be transparent or revealing. No street clothes allowed in the pool

#### **Facility Footwear:**

Only athletic footwear (i.e. **No** CROCS, SLIDES, high heels, boots, dress shoes, spikes, cleats, sandals, flip-flops, or open-toed shoes) are allowed during any athletic activity. Except in appropriate classes (i.e. Yoga, Martial Arts where you may be barefoot).

Footwear which marks floor surfaces or is worn inappropriately is not allowed.
