

For students applying to the MS program in Communication Sciences and Disorders, an undergraduate degree in Communication Sciences and Disorders/Speech-Language Pathology is preferred. UCA does NOT offer a "post-baccalaureate program." However, applicants with undergraduate degrees in majors other than CSD or Speech-

To register for CSD leveling classes:

1. You must be admitted to the university in order to take classes at UCA. Visit the UCA Admissions webpage for students already holding a bachelor's degree. <http://uca.edu/admissions/apply/postbaccalaureate/>
2. Once you are admitted to the university, contact the departmental undergraduate advisor, Mrs. Pearlle Williams, via email at pwilliams@uca.edu
