

Through a generous gift from the Walton Family Foundation, UCA is able to offer loan relief to teachers from historically underrepresented groups who have graduated from UCA's teacher preparation program and agree to teach for five years in Arkansas with three years in the Northwest Arkansas area. Licensed graduates who meet the criteria are eligible for \$30,000 at a maximum rate of \$6,000 per year. Eligible participants must maintain good academic standing at UCA and be on track for graduation (meeting state licensure requirements). Participants must attend professional development training provided by UCA's College of Education upon request during the first three years of teaching.
