University of Central Arkansas
User Account Management Policy

Rationale:

This policy governs the creation, management and deletion of user accounts; granting and revocation of authorized privileges associated with a user-account; and authentication by which users establish their rights to use a given account.

Adopted: June 6, 2017
Revised: November 28, **Revised:**

a. Whenever possible, Active Directory will be used by all users to authenticate their access for any UCA system.

b. The user
