### **Budget**

The total budget for minority recruitment and retention is approximately \$400,000 per fiscal year. This includes salaries for the employees in the Affirmative Action Office, the student recruiters who work in the Office of Admissions and the Minority Services Office. Additional resources are utilized throughout the university to augment the specific budgeted items listed above. The university hopes to increase its budget for minority recruitment and retention during this five-year cycle.

### **Assessment**

Act 1091 requires the university to submit an annual report of its activities and a report of its progress toward the goals set forth in the plan. The university uses this annual report as a measure of its success and to monitor its methods for effectiveness. Modifications are implemented as needed based on the results of this annual report and other factors that come to the attention of the Affirmative Action Office or the senior administration of the university.
